

THE PRIME MINISTER

Oslo, 16 April 2021

Dear Mr Kurti

I would like to extend my sincere congratulations on your appointment as Prime Minister of the Republic of Kosovo.

I greatly appreciate the very good bilateral relations and constructive cooperation between our two countries in many areas.

I am confident that we will strengthen our relations further during your term as Prime Minister.

Further Euro-Atlantic integration is the key to stability and economic development in Kosovo. Norway fully supports Kosovo's ambition to join the European Union and will continue to provide support for the reform processes that are necessary for further European integration.

The normalisation of relations between Serbia and Kosovo would be an important step forward in this respect. I can assure you that Norway will follow developments closely and continue to provide assistance in this process.

I look forward to meeting you and to continuing to enhance our cooperation in areas of common interest.

I wish you every success in your new position and with the important tasks that lie ahead.

Yours sincerely
